

THE DOWNTOWN TACOMA ASSOCIATION

Ms 41

BACKGROUND

At a meeting of their respective boards on November 8, 1968, the Central Association of Tacoma and the Downtown Merchants' Association (Tacoma Retail Trade Bureau) voted favorably to merge into one new organization called the Downtown Tacoma Association. The membership of both organizations voted for the merger in a joint meeting held on November 22, 1968. On January 1, 1969, the Downtown Tacoma Association was born for the purpose of promoting and developing retail trade in the City of Tacoma. Other purposes included: assisting in the beautification and improvement of the city, especially the downtown area; sponsoring and promoting municipal improvement services; and assisting in furthering the economic, social and cultural growth in the central business district of Tacoma.

In 1989, the Downtown Tacoma Association merged with the Tacoma/Pierce County Chamber of Commerce.
